If your application is **approved**, Public Consulting Group (PCG) will email you an Eligibility Notice, which you can share with the CCAP provider where you enroll your child.

Already enrolled with a CCAP approved child care provider?

1. Share the eligibility notice with your current CCAP provider so they can submit enrollment information for your child in the CCAP for Child Care pilot to PCG.
2. If you are already receiving CCAP benefits, you will still share your eligibility notice with your CCAP provider. Once the provider has completed the pilot enrollment steps, you will no longer be required to pay your copay.

Looking for a CCAP approved child care provider?

1. Choose a CCAP approved child care provider that meets the needs of your family. Options for child care include:
 - A DHS licensed child care center or before/after-school program
 - A DHS licensed family child care home or group family child care home
2. Use the DHS provider search tool to find licensed CCAP approved programs that meet your needs. The tool can be found at <https://earlylearningprograms.dhs.ri.gov>. You can also contact our partner, BrightStars, at (401)739-6100 or info@BrightStars.org for assistance finding a CCAP approved child care provider for your family.
3. To enroll your child with the approved CCAP provider you've chosen, contact the provider to confirm they participate in CCAP and check if they have availability for your child. Bring your eligibility notice with you if you visit, as providers will need this to enroll your child.

If your application is **not approved**, you have the right to appeal your benefit decision. For more information and next steps, contact CCAPforChildCare@pcgus.com.
